How did Europeans view the New World and Native Americans?

Teaching With Documents
by Peter Pappas www.peterpappas.com

Europeans were surprised by what they found in the New World. They observed the land, climate, geography, plants, animals, and people. Review the documents in this lesson and organize the information into the categories below — include both the information you found and the document you found it in.

Information about people

Information about plants

Information about animals

Information about geography and climate
